

**SCOLIOSIS AND
SPINE CENTER
OF MARYLAND**

Spine Specialist Joins Towson Orthopaedic Associates!

The physicians of Towson Orthopaedic Associates are proud to announce the addition of spine surgeon Michael D. Dabbah, MD to the Scoliosis and Spine Center of Maryland. Dr. Dabbah is fellowship-trained in spine surgery and joins the Center following five years of private practice. Dr. Dabbah specializes in all spine disorders focusing on scoliosis and minimally invasive spine surgery. He will see patients at Towson Orthopaedic Associates offices:
