Towson Sports Medicine Center Ranked Largest in Baltimore

Orthopaedic Associates is proud to announce that **Towson Sports Medicine/Towson Orthopaedic Associates (TSM) has been ranked as the largest sports medicine practice in the Baltimore metropolitan area.** A survey conducted by the Baltimore Business Journal examined sports medicine practices in Baltimore City, Baltimore, Anne Arundel, Carroll, Harford and Howard Counties. TSM was listed first, having treated more than 67,000 patients in

the last two years.

Towson Sports Medicine Center was established in 1984 and features state-of-the-art rehabilitation for all orthopaedic injuries and orthopaedic-related problems. Specialties also include injury treatment programs for athletes at any age, any competitive level, from the adolescent to senior, recreational to Olympic athlete. It also offers aqua therapy, orthotics, strength and conditioning programs.

Towson Sports Medicine Center's community outreach programs include the following services:

- 24 hour Sports Injury Hotline
- Pre-season sports participation screenings
- Educational seminars
- Athletic training services to the following colleges, high schools and club programs:
